6. New Business – Round table discussion

The majority of the discussion focused on Club initiated events (i.e. the Club reserves a block of time for an event) keeping in mind that the ability to reserve a court for personal use by Members is what differentiates this Club from other venues on the Island.

Two broad categories of events were considered with a goal of providing a mix of events that meets the needs of all Members:

- Recreational/social play versus competitive play
- Drop-in events versus structured events

The following Club events were suggested:

- Random partner social play - everyone welcome -Tuesday and Saturday mornings - lead Michael P.
- Ladies session – format and time to be determined - lead Sharon Pearse
- Advanced play 4.0+ format to be determined (e.g. round robin, ladder, league play etc.) - possibly Wednesday and one other day - lead Andy
- Tournaments - 90 minute format Ken Holman has agreed to run out of the Club details to be determined, Rand Grandbois has agreed to run a tournament dates to be determined – Lead TBD. Rick to contact Ken Holman about tournaments and providing programming input
- Hosted socials – drop-in everyone welcome – Lead Rick (Mark?)

All of the above events are to be developed in more detail at the next meeting.

Other items discussed in lesser detail included: guests and guest fees, spring and summer start times / neighbour relations, length of time for an event block (2 hrs. 2.5 hrs. 3.0 hrs.+), operating committees needed (e.g. facility, finance, event planning and court allocation, tournaments etc.), establishing player ratings.

7. Date and time of next meeting, Tuesday April 26th at 2:00 at the Cricket Club
